Defendants	:	
	:	

Plaintiffs respectfully request that the file of their former attorney be accepted for filing under seal.

MEMORANDUM

Counsel for defendants Cramer and Nuss have issued subpoenas compelling the production of the case file of plaintiffs' former attorney Ravert ("Jay") Clark and seeking to take his deposition. Plaintiffs filed a motion to quash the subpoenas and for a protective order. (Doc. 145). Plaintiffs' motion is currently before the district court on objections to the order issued by the magistrate judge. (Doc. 163, 164).

The documents in question constitute the case file of plaintiffs' former attorney and are protected by both the attorney-client privilege and the work product doctrine. The district court's must have access to these documents when ruling upon plaintiffs' objections. Plaintiffs respectfully request that these documents be accepted for filing under seal to protect their confidential nature pending the district court's ultimate ruling on the issue. Plaintiffs' note that the sensitive nature of this case has previously resulted in documents being filed under seal. (See Doc. 142).

Respectfully submitted,
